**“One man practicing sportsmanship is far better than a hundred teaching it.”**

Warm greetings dear guardians!

It's my pleasure to write my first newsletter of the year 2080 from the desk of ECA-Coordinator to you all. Awe-inspiring support and cooperation from all our valued parents have helped my department to make a magnificent beginning of the session commencing different plans and the programmes. At present, our swimming package (Gr. I-VII) is on progress which has brought an extra happiness and freshness in our children. Recently, we have reformed the different clubs and committees for this New Year where cent percent students are involved in the club of their interest. I believe this will be much supportive for them to grow and develop in the different learning environment with a team. Now, I'm so glad to share to you all that we are planning to organize a swimming competition in the next month for both boys and girls followed by “Bhanu Jayanti Celebration” by the end of Ashadh.

I appreciate all the parents who have been supporting and encouraging their children to participate in the different extra-curricular activities and always value and respect your opinion and constructive feedback. Expecting your support and cooperation as always!

With regards,

Tr. Prabesh K. Bhandari (ECA Coordinator)
